The story

The name "Strahl" is of German origin, meaning shine or sparkle of light. The Strahl® brand conveys the attributes of superior quality and products literally sparkle as they reflect the light.

Strahl was first produced in 1991 in response to demand for

high quality, unbreakable beverageware. Strahl's goal is to create a superior class of beverageware with the same stability and aesthetics as fine crystal. Strahl uses high-tech manufacturing practices to mould thick, heavy forms that are hand finished to produce the highest quality crystal-like finish that is envied by our competitors.

The collections

Da Vinci

Strahl's Da Vinci collection was inspired by design genius Leonardo Da Vinci. Da Vinci goblets are produced with solid stems and thick bases reminiscent of 15th century Italy. The Da Vinci collection is a complete range of serveware, suitable for all dining occasions.

Vivaldi

Strahl's Vivaldi collection is based on tradition and characterised by the deep glacier bases. The Vivaldi collection offers tumblers, bowls and plates for casual and formal entertainment.

Design + Contemporary

Strahl's Design + Contemporary range emphasises modern design with simple and stylish clean lines. This range can be used for both casual and formal occasions, indoors and outdoors.

Cottage Collection

Strahl's Cottage Collection was inspired by the charming Tuscan countryside. The Cottage Collection adds a touch of elegance to your table and has the look and feel of fine porcelain, yet the durability for today's lifestyle.

The products

Strahl offers stylish tableware made of high quality polycarbonate – a remarkable material that has the weight, clarity and brilliance of fine crystal with the added advantage of being virtually unbreakable. All Strahl products are hand finished to give each piece its signature radiance. Each product is then individually wrapped to reach you in perfect condition.

Strahl is the ideal choice for every situation where you don't want to sacrifice style, but breakages could be a problem

– at a barbecue, poolside, on a boat, or for everyday dining and entertaining.

Strahl products make entertaining easy – they are microwavable and freezer safe, perfect for chilling jugs and glasses, storing pre-made nibbles and desserts or for a quick reheat in the microwave. They are also dishwasher safe, top and bottom rack, for an easy clean up.

Strahl is proudly made in New Zealand.

New trend

Dine & entertain in true European style with traditional Italian wine tumblers. The Osterias take their name from the Italian taverns where wine is served in simple glasses. The thick base and innovative finger hold allows you to hold the tumbler with your fingertips rather than with your palm, keeping heat transfer at a minimum.
